

2nd ICNGRIS-2026

The 2nd International Conference on Next-Generation: Research, Innovation and Sustainability (2nd ICNGRIS-2026) is a multidisciplinary international platform dedicated to advancing interdisciplinary research, technological innovation, and sustainable solutions for emerging global challenges. With the theme “Advancing Interdisciplinary Research and Innovation for a Sustainable Future,” the conference brings together researchers, academicians, industry professionals, policymakers, and students from diverse disciplines. 2nd ICNGRIS-2026 encourages knowledge exchange, collaborative research, and innovative practices across engineering, technology, management, sciences, healthcare, agriculture, humanities, and social sciences, fostering impactful ideas and partnerships for an inclusive, resilient, and sustainable future.

Gwalior

Gwalior, a historic city in the central Indian state of Madhya Pradesh, is renowned for its rich cultural heritage, majestic forts, and vibrant traditions. Known as the seat of the Scindia dynasty, Gwalior boasts architectural marvels such as the Gwalior Fort, Jai Vilas Palace, and ancient temples that reflect a blend of Rajput, Mughal, and Maratha styles. The city has been a hub of art, music, and learning, famously associated with legendary musician Tansen, one of the nine jewels in Emperor Akbar’s court. Today, Gwalior is not only a significant tourist destination but also an emerging center for education, industry, and infrastructure development.
